

“Behind The Scenes” SUMMER CAMP INFO

Behind the Scenes Camp is a great opportunity for kids who don't want to be on stage to participate in a different aspect of Theatre. It is also a great opportunity for your “theatre” kid to broaden their theatre experience from onstage to backstage. Students will spend their camp time planning and preparing the sets and props for an actual show. Positive outcomes from camp: confidence, teamwork, communication skills, developing talents, friendships, and the list goes on!

CAMP INFO:

Behind the Scenes: Set Design Camp (rising 7th-college) will involve planning and creating sets for *Disney's Finding Nemo Jr.* and will be held June 5-9, 2023 9am-noon. Camp will be held at the Campanile Building at 2208B Ft. Campbell Blvd. Please wear clothing appropriate for painting because there will be lots of it.

Faye Hendricks will be directing this camp. She is an art teacher at University Heights Academy and has headed up the set design for many of Campanile Productions shows.

Sign up: Please sign up on our website using the camp interest link under Set Design Camp. Your spot is not officially reserved until you send in a registration form, medical consent and payment.

We are limiting this camp to minimum of 10 and a maximum of 15 students. Once your student's spot has been confirmed, we will notify you by email.

Camp Tuition is \$125 and will include a t-shirt. This does NOT include snacks.
